Kolkata, West Bengal

CAREER OBJECTIVE

Motivated Computer Science undergraduate with a strong foundation in programming, data structures, and problem-solving. Passionate about full-stack web development and currently deepening expertise in JavaScript, React, and Next.js. A self-driven learner who enjoys tackling real-world challenges and building impactful software. Seeking internship opportunities to apply technical skills, contribute to meaningful projects, and grow as a software professional.

EDUCATION

JIS University — B.Tech in Computer Science Engineering 2024 – Present
CGPA: 8.0 · Kolkata, West Bengal

The Newtown School, Kolkata — Class XII (Higher Secondary) 2024
Aggregate: 77% · Science Stream with Computer Science

The Newtown School, Kolkata — Class X (Secondary) 2022
Aggregate: 93%

TECHNICAL SKILLS

Programming Languages	C, C++, Python, Java
Web & Frameworks (Currently Learning)	JavaScript, React, Next.js, HTML, CSS, Tailwind CSS
Core CS Concepts	Data Structures & Algorithms, OOP, Discrete Mathematics
Future Learning Goals	TypeScript, Full-Stack Development, REST APIs
Tools & Platforms	Git, GitHub, VS Code, LeetCode, GeeksforGeeks

PROJECTS

Portfolio Website 2024
Next.js · TypeScript · Tailwind CSS · Framer Motion

- Built a professional portfolio with dark/light mode, smooth animations, and fully responsive design.
- Implemented interactive components: animated timeline, skill progress bars, project cards, and resume modal.
- The link is here: <https://portfolio-website-psi-six-88.vercel.app/>

DSA Practice 2024
C++ · JavaScript

- Maintained a structured collection of 60+ solved problems across Arrays, Strings, DP, and Sorting.

PROBLEM SOLVING

- Solved 60+ DSA problems on LeetCode and GeeksforGeeks covering Arrays, Matrices, Strings, Searching & Sorting, and Dynamic Programming.
- Consistently practising to strengthen algorithmic thinking and coding efficiency.

CERTIFICATIONS & LEARNING

NPTEL — Discrete Mathematics

IIT / NPTEL

Completed NPTEL certification demonstrating strong foundations in mathematical reasoning, logic, and combinatorics — directly applicable to algorithms and theoretical CS.

STRENGTHS

Quick Learner · Strong Problem-Solving Ability · Adaptable · Effective Communicator · Team Collaborator · Self-Motivated

LANGUAGES

English · Hindi · Bengali

HOBBIES & INTERESTS

Reading · Football · Cricket · Badminton · Video Games · Exploring New Technologies
